An Invitation.....

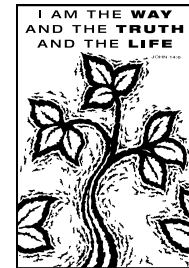

As you can see, it takes a lot of people to keep quality ministries going in our church.

We always celebrate new persons joining us in our quest in.....

Making Disciples of Jesus Christ for the Transformation of the World.

If you have a special gift in any area, we would welcome your expertise. Simply contact the Pastor, or Lay Leader, or any one of the persons listed here, and we would be glad to include you in the work and mission of the church. Your gifts are important to our church! The best way to feel like a part of the church is to serve on a committee, or take a leadership role in the life of the church. You will find listed areas of study, fellowship and worship for further involvement in the church, along with the telephone number and name of a contact person of each area. Please know that you would be welcomed with open arms!
